

Certification no.: WT-SWS-1-0005

Certification of New & Renewable Energy

1. Company Name (Business Registration No.): HIENERGY Co., Ltd ( 137-81-98028)
2. Office Address: 3 fl, Canmore bldg, 152-13 Bupyung Dong, Bupyung Gu, Incheon, Korea
3. Factory Address: 427-9 Chungchun Dong, Incheon, Korea.
4. Certified New & Renewable Energy Facility

**Features of products:**

System – type: vertical axis, method: System linking type

Generator- Rated output 3.0kW (wind speed 12.0m/sec basis), output:  
(175V, 17A)

Rotator: 3 each, diameter: 4.0m, volume: 8.73m<sup>2</sup>

Steel tower – type: circular cylinder, weight: 1,060kg, height: 10m

Facility to be certified: small wind power generating system

Model name: DS-3000

Applicable standard: WT101:2008

**This is to certify that facility mentioned above is new & renewable energy facility in accordance with No. 2009-310 of Ministry of Knowledge Economy.**

16 June 2011

President of New & Renewable Energy Center

\* This certification of this model expires 15 Jun, 2014.
