

Certification no.: WT-SWS-1-0003

Certification of New & Renewable Energy

1. Company Name (Business Registration No.): HIENERGY Co., Ltd (137-81-98028)
2. Office Address: 3 fl, Canmore bldg, 152-13 Bupyung Dong, Bupyung Gu, Incheon, Korea
3. Factory Address: 427-9 Chungchun Dong, Incheon, Korea.
4. Certified New & Renewable Energy Facility

Features of products:

System – type: vertical axis, method: Independent (for charging battery)

Generator- Rated output 0.3kW (wind speed 14.0m/sec basis), output:
(40V, 12.5A)

Rotator: 3 each, diameter: 1.06m, volume: 0.9m²

Steel tower – type: circular cylinder, weight: 360kg, height: 10m

Facility to be certified: small wind power generating system

Model name: DS-300

Applicable standard: WT101:2008

This is to certify that facility mentioned above is new & renewable energy facility in accordance with No. 2009-310 of Ministry of Knowledge Economy.

16 June 2011

President of New & Renewable Energy Center

* This certification of this model expires 15 Jun, 2014.
